

What went well?

What should we keep doing?  
What should we celebrate?  
Where did we make progress?

What went poorly?

Where did we have problems?  
What was frustrating to us or others?  
What held us back?

*apple iphone  
is one of the  
most costliest  
mobile in  
indian market*

*apple iphone  
offers good  
security and  
privacy*

*we should  
increase the  
charging ability  
in apple mobile*

*iphone  
have fixed  
storage*

*apple iphone  
price is so high  
and middle class  
people cant buy*

*apple company  
introducing model  
every month. This  
craze encorage  
middle class people  
to buy their product  
which makes  
economical problem*

*Apple should  
Increase their  
efficiency by  
giving free  
subscriptions  
to apps*

*apple company should  
increase their  
advantages like inlock  
fingerprinting, app  
lock, easy availability of  
spare parts.*

*Prize  
reduction  
during  
festival time  
increase it's  
sales.*

*Apple should  
enrich their  
features in apps to  
support like  
normal android*

*Apple should  
Change their  
settings control  
as user's wish  
instead of  
default*

*Apple should  
reduce their  
file size which  
was given by  
them while  
subscription*

What ideas do you have?

What ideas do you have for future work together?  
Where do you see opportunities to improve?  
What has untapped potential?

How should we take action?

What do you believe we should do next?  
What specific things should we change?  
What should extend beyond this meeting?
